## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-14 are allowed.

The following is an examiner's statement of reasons for allowance: 1-14.

With respect to claim 1, the prior art of record fails to disclose or render obvious that establishing second connection between the second terminal and the relay station with the first connection being kept established in response to a request from the second terminal; sending a callback request from the relay station to the second terminal; interrupting the second connection; re-establishing the second connection from the second terminal to the relay station; and linking the first connection with the second connection in order to establish the callback communication between the first and second terminals.

With respect to claim 8, the prior art of record fails to disclose or render obvious that the second interface for establishing second connection with the second terminal while the first connection is being kept established in response to a request from the second terminal sending a callback request to the second terminals, interrupting the second connection and re-establishing the second connection from the second terminal; and means for linking the first connection with the second connection in order to establish the callback communication between the first and second terminals.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
